

CANCER POLICY (CAGR)

PRODUCT INFORMATION		APPROVED FOR	POLICY TYPE
Plan Code	156 Individual 157 1-Parent Family 158 2-Parent Family	☒ Individual (<i>Bank Draft or Direct Bill</i>)	☒ Accident and Health
Policy Form	CAGR		
Issue Ages	0-63		

ELIGIBILITY

- If the answer to question 5 or 6 on the application is “Yes” to any of the following types of cancer, the person to whom the “YES” answer applies is not eligible for coverage.
 - Any type of internal cancer
 - Any malignant growth/skin growth
 - Melanoma
 - Leukemia
 - Hodgkins disease
 - Any type of skin cancer
 - Premalignant lesions

PRODUCT OVERVIEW

- Limited benefit supplemental cancer policy
- Pays in addition to other coverage
- Guaranteed renewable for life as long as premiums are paid on time
- \$6 registration fee in addition to the initial premium

BENEFIT OVERVIEW

- First Occurrence Benefit of \$1,500
- Up to \$3,000 Surgical Benefit. Benefit amounts are specified in the Surgical Schedule in the policy
- Up to \$750 Anesthetic Benefit
- Hospital Confinement Benefit of \$150 or \$300 per day
- In-Hospital Radiation and Chemotherapy Benefit of \$100 per day
- In-Hospital Blood and Plasma Benefit
- Up to \$100 per day for In-Hospital Private-Duty Nurse
- Ambulance Benefit
- Good Risk Benefit: If premiums have been paid to and this policy is in force on the 5th anniversary date, and on each successive 5th policy anniversary date, a \$250 Good Risk Benefit is paid to each covered adult (*primary insured and the spouse of the primary insured*) listed on the Policy Schedule. \$250 amount is less any other benefits paid for expenses incurred by such covered adult during the preceding five-year period.
- All Benefits except First Occurrence Benefit, Hospital Confinement Benefit, and Good Risk Benefit, terminate at age 65.

LIMITATIONS AND EXCLUSIONS

- Pays only for loss resulting from definitive Cancer treatment including the direct extension, metastatic spread, or recurrence. This policy does not provide benefits for any other disease, sickness or incapacity.
- Policy contains a 30-day 'waiting period' which means the FIRST OCCURRENCE BENEFIT is not payable to anyone who has cancer diagnosed before the policy has been in force 30 days from the 'Effective Date'.
- If a covered person has cancer first diagnosed during the 'waiting period', all other benefits apply only to loss commencing after two years from 'Effective Date' of the policy, or at the option of the covered person, the covered person may elect to void the policy from the beginning and receive a full refund of premium.
- Policy does not cover loss due to:
 - Any hospital stay or other service for which a covered person does not incur a charge; or
 - Any loss incurred outside the United States; or
 - Any service furnished by you, members of your immediate family, or household; or
 - Any expenses incurred for services or materials not medically necessary; or
 - Any losses incurred prior to the Policy Effective Date
