United American Insurance Company is not connected with or endorsed by the U.S. Government or federal Medicare program. Policies and benefits may vary by state and have some limitations and exclusions. Individual Medicare Supplement policy forms MSA10, MSB10, MSC10, MSD10, MSF10, MSHDF10, MSG10, MSHDG, and MSN10 are available from our Company where state approved. Some states require these plans be available to persons eligible for Medicare due to disability or End Stage Renal Disease (ESRD). Only applicants first eligible for Medicare before 2020 may purchase Plans C, F, and HDF. This is a solicitation for insurance. You may be contacted by an agent representing United American Insurance Company. A licensed agent will provide additional information upon request.

Choosing a Medicare Supplement Plan

We offer Medicare Supplement policies for 11 of the 12 standardized plans A, B, C, D, F/HDF, G/HDG, K, L, and N (*plan availability may vary by state*). All Medicare Supplement standardized insurance plans include the following Basic Benefits:

- **Hospitalization:** Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.
- **Medical Expenses:** Part B coinsurance (*generally 20% of Medicare approved expenses*) or copayments for hospital outpatient services. Plans K, L, and N require insureds to pay a portion of the Part B coinsurance or copayment.
- **Blood:** First 3 pints of blood each year.
- **Hospice:** Part A coinsurance for eligible hospice/respite care expenses.

See outline of coverage for details and exceptions.

Only applicants first eligible for Medicare Part A before 2020 may purchase Plans C, F, and High Deductible Plan F.

▼ Plans F and G also have a high deductible option which requires first paying a plan deductible of (\$2,950 in 2026) before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High Deductible Plan G does not cover the Medicare Part B deductible. However, High Deductible Plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

■ Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit (\$8,000 for Plan K, \$4,000 for Plan L in 2026). The out-of-pocket annual limit does NOT include the charges from your provider that exceed Medicare-approved amounts, called 'excess charges'. You will be responsible for paying excess charges. The out-of-pocket annual limit may increase each year for inflation.

● Plan N pays 100% of Medical Expenses (*Part B Coinsurance*) except for a copayment of up to \$20 for some office visits and up to \$50 copayment for emergency room visits that do not result in an inpatient admission. The emergency room copayment is waived if the insured is admitted to any hospital, and the emergency visit is covered as a Medicare Part A expense.

Some states require designated Medicare Supplement plans also be available to people under age 65 and eligible for Medicare due to disability (*different application forms may be required*). Policy benefits are identical for people over or under age 65. Premiums are based on Preferred or Standard, age, sex, State/Area*.
